Re: 90- day notice to terminate service at West Yellowstone, Montana (WYS)

Dear Dennis:

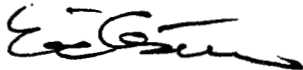

SkyWest Airlines, Inc. gives 90 days notice, of its intent to terminate essential air service between West Yellowstone and Salt Lake City. SkyWest is unable to operate this service economically without a subsidy, and therefore, is filing this notice to advise the Department and the affected communities that it plans to terminate service on May 31, 2003.

We have traditionally provided summer only service during the months of June through September.

In support of this notice, SkyWest Airlines states the following:

- 1) SkyWest Airlines principal place of business is 444 River Road, St. George, Utah 84790.
- 2) SkyWest Airlines holds a certificate of convenience and necessity, authorizing it to engage in scheduled air transportation of persons, property and mail.
- 3) No other carrier currently serves West Yellowstone.
- 4) SkyWest provided three round trips last summer to Salt Lake City, Utah operating as Delta Connection, using 30-passenger Brasilia aircraft.

Respectfully submitted,

Eric Christensen
Vice President Planning
SkyWest Airlines
